# BIRMINGHAM SYMPHONY ORCHESTRA

THE HOWARD MASQUERS

"JOAN OF LORRAINE"

Passing across the stage of Howard College we are thousands of actors who will someday take our curtain-calls before the world outside our college life. Whether or not we win applause from our audience depends on all of us — the stars, the supporting actors, the bit players and the back stage workers. The directors cannot set our lives for us when their four years of guidance are over, cannot ring down the curtain on our failures or print the playbill for our successes.

In the scenes of college life which compose our drama there will be tragedy as well as comedy and serious drama as well as farce. Our critics are many and our audience is large. We seek applause not for our individual performances, but for all of Howard College and the drama which it day by day is writing for the world.

To Dean Sizemore, who occupies the star's dressing-room in all our hearts, for her understanding and patience, her readiness to serve in any capacity, her interest in our lives, her never-failing words of congratulation for tasks well-done, her ability to become the ideal of outstanding Christian womanhood to the students at Howard College and for just the privilege of knowing and loving her, we dedicate this *Entre Nous* and our never-ending admiration.

They summon us with the school bell, present us with the school book, and leave us with the candle of knowledge burning brighter — the Administration and Faculty of our school — the Directors of our drama.

## OUR PRESIDENT

Major Harwell G. Davis has been the personification of the life which Haward College stands for and our ideal of a college president since he first spoke to us in Freshman Orientation. But he has been more than that to Haward College — he has been the instrument through which our college has grown and expanded, and the one who has, through patient and diligent effort, brought Haward to its most prized goal — the beginning of a new campus.

Graduated from the University of Alabama with an L.L.B. degree, he was later awarded an L.L.D. degree. He practiced law before serving in the First World War in the rank of Major. Major Davis is a member of Phi Beta Kappa scholastic fraternity and Omicron Delta Kappa leadership fraternity.

It is our privilege to salute him as our president and our friend.

## TREASURER

### JOHN G. BURTON

Mr. Burton, beside being the beloved and highly efficient treasurer of Howard College, has many honors to his credit. He was mayor of Jasper, Alabama, from 1931 to 1946 and has been president of the Lions Club, the Jasper Chamber of Commerce, the Alabama League of Municipalities, the Board of Trustees of the Eldridge Baptist Academy. He was a member of the Executive committee of the Alabama League of Municipalities from 1935 to 1946 and holds an honorary life membership in the Alabama Sheriffs & Peace Officers Association.

Mr. Burton has also served as chairman of the Committee on Training for Municipal employees for the state of Alabama, which sponsored and started training schools for municipal employees at strategic points over the State of Alabama.

Always active in church work, Mr. Burton served the First Baptist Church of Jasper as Deacon for the past 30 years, being Chairman of the Board for 6 years. He has been a Deacon of Southside Baptist Church in Birmingham for the past 3 years.

During World War II, Mr. Burton received three certificates of award for outstanding service rendered on the home front, and we nominate him for a certificate for outstanding service to his community and to Howard College.

## TREASURER'S STAFF

Mrs. Mildred C. Pittman, Curtis Flowers, Odette Ramsay, Mrs. Ruth Sanford, Ocie Norton, Mr. Burton, Faye Faught, Dora Jane Hicks, Mr. Michael White and Evelyn Nelson.

DEAN PERCY P. BURNS

## DEAN OF THE COLLEGE

Dean Burns is a soft-spoken gentleman who can handle student problems and Shakespeare's dramas with the same authority and knowledge. A graduate of Howard, Dean Burns earned his M.A. degree at Harvard and has done further study at the University of Chicago. He holds a Ph.D. from Mercer University and taught English and Latin at the South Carolina Co-Educational Institute for seven years. He came to Howard in 1911 as acting professor of English, and was made professor and head of the English department the next year. He has served Howard as registrar, dean of students and now as Dean of The College and beloved English professor.

Dean Dale is an inspiration as well as a supervisor to everyone at Howard who has had the pleasure of talking to him or being in one of his classes.

His ready smile is one of the brightest spots in Old Main and his office is always open to those who need advise or just 'cheering up.'

Since 1941, Dean Dale has been a faithful part of Howard College, exemplifying in his manner and his life the ideal of manhood toward which his students strive.

## **DEAN OF MEN**

**WILLIAM PRATT DALE, II**

## DEAN OF WOMEN

### MRS. MARGARET SIZEMORE

Mrs. Sizemore has the title "Dean of Women," but her office is the center of almost every campus activity. She advises the Pan - Hellenic Council, keeps the school social calendar and willingly performs many other duties which are supposedly not her responsibility. Besides this, Mrs. Sizemore is a very active member of many organizations including American Association of University Women.

Her 'advice to the lovers,' both boys and girls, and her genial smile make many of the problems of the students disappear the minute they step into her door. Her hobby is collecting the love which the students freely give to her and one of the saddest moments in the life of the senior is the final 'good-bye' to Mrs. Sizemore.

## ASSISTANT DEAN OF WOMEN

### MRS. CRAIG WARD

Mrs. Craig Ward, Assistant Dean of Women, has in her one year at Haward become a real mother away from home for all the dormitory girls. She manages to be cheerful while going about the never-ending task of seeing that all her girls are well-fed, healthy, studying and getting at least a small amount of sleep. Add to these tasks the one all-important one of keeping them happy, and you have a full-time job which Mrs. Ward manages with one hand, keeping the other hand free to offer assistance to anyone who needs her.

**CARL E. TODD**  
**REGISTRAR**

Adding to his many jobs as Registrar, Mr. Todd has this year added the task of professor to his daily duties. Well-known already for the efficiency and deftness with which he handles his work as Registrar, he is now known to students for his interesting lectures and capable classroom manner.

Mr. Todd and the staff of the registrar's office carry on so efficiently the tremendous job allotted to them, that many of the students are never aware of the amount of work which daily goes into the task of getting our report cards, keeping records straight, making transcripts and checking requirements for graduation.

**REGISTRAR'S**  
**OFFICE**

Mrs. Louise Douglas, Mrs. Elizabeth Poce, Miss Wilson, Ann Roberts, Martha Norton, Vernelle Crook, Nell Mortz, and Ann Martz.

Homecoming Queen Blanche Beard poses with her court during the last half of the football game. In the court are Barbara Averett, Rachel Knight, Jay Ruth Williams, Mavis Wilson, Jennice Jones, Peggy Thomas and last year's Homecoming Queen, Marguerite Rutledge.

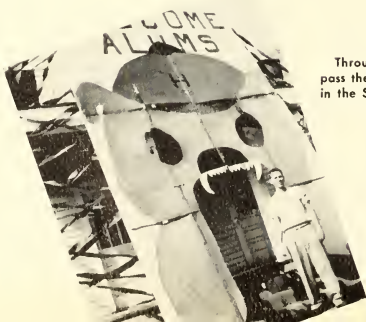

The Mascot looks as if he takes that "Eat 'em up, Bulldogs!" seriously!

# W O M E N ' S   S E R V I C E D A Y   H O N O R S

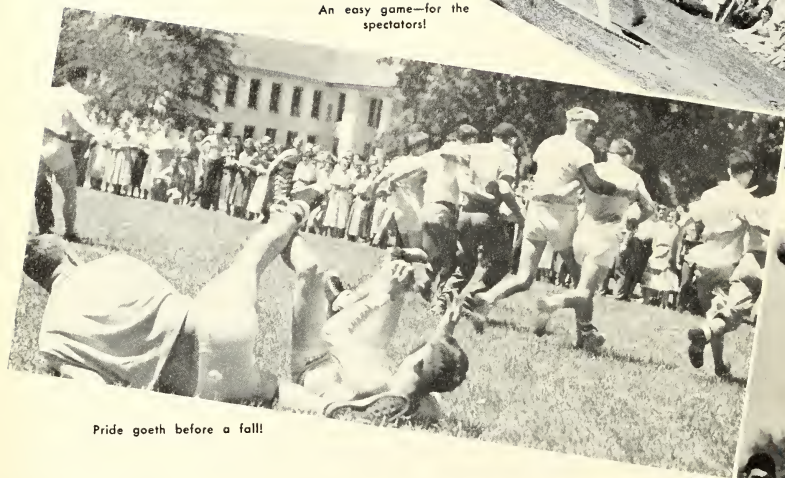

Women's Service Day is sponsored by the Women's Student Government in co-operation with Alpha Pi Omega. In a special chapel program, the girls chosen by their individual organizations as the most useful in their group are presented blue ribbons in token of their service to Howard and to their group.

This year ribbons were awarded to twenty-three girls representative of many campus clubs.

Co-captains Bobby Bowden (left) and Charles Hearn were captains of the 1952 Bulldogs.

Bobby has led the Bulldog offense for three years. It has been a long time since a fellow with the fire and determination of "Bebo" has worn the Crimson and Blue.

Charles "Buddy" Hearn played his third and final season for the 'Dogs this year. "Buddy" was slight for a guard, but his sterling and able playing reminded us of the adage "It's not the size of the dog in the fight, but the size of the fight in the dog." Both Bowden and Hearn were selected for the All-Dixie squad.

Howard College is justly proud of its Evening Division which has made it possible for men and women in Birmingham to continue their college work at night while working during the day. The Evening Division is taught by Howard professors and students are given the same college credit as they are given for work in the regular day classes. This year Howard for the first time graduated several students who have completed their college work in the Evening Division.
